

I have dietary and contact allergies. Contact allergies include latex and polyester (including some plastics, tablecloths, napkins, most upholstery fabric).

Dietary allergies include chicken, turkey, commercial sauces or stocks, margarine, tropical fruits (pineapple, avocado, banana, strawberry, etc.), green beans, soybeans, and many natural and artificial flavorings.

If you have questions or can provide menu information my contact information is dethies@gmail.com (850)384-6273.
